

Dear North Gwinnett Lacrosse Parent,

The North Gwinnett Lacrosse Booster Club has applied for 501C(3) non-profit status as an organization of **parent volunteers** who provide support services and activities for the girls and boys lacrosse teams of North Gwinnett High School. The lacrosse program is not funded by the high school in any manner. The North Gwinnett Lacrosse Booster Club Inc., is committed to providing a positive and rewarding environment in which high school players can excel in developing their lacrosse abilities while learning valuable life skills of Sportsmanship, Teamwork, Self-Esteem and Confidence in an atmosphere of fun and cooperation.

The 2010 team will be playing as a club program in the North Georgia Lacrosse League (NGLL). We will be petitioning the school to be awarded Georgia High School Sports Association status as a varsity team for the 2011 season.

We ask that you begin assisting us in fundraising for what will be an exciting spring. Sponsorship forms are included in this packet that will allow you to make personal donations and solicit business donations. Secured donations can offset your final payment by the amount shown on the attached schedule.

We will be asking your children to participate by selling a minimum of 10 "Pizza Cards" as well as other upcoming events.

We cannot run this organization without the financial help of you and the countless volunteers that give many hours that make this organization one of the finest at North Gwinnett High School.

In addition to your help in fundraising we will need game day volunteers. Please see the attached list and start thinking on how you can participate.

We look forward to your support.
